

Rural Hall Christian Church

Continued Guidelines for In-Person Services and More

- Members must stay home if they have COVID or flu symptoms such as fever or cough and/or if they think they have been exposed to COVID or flu.
- Members who feel uncomfortable or particularly vulnerable should stay home. Each member has to make his/her own decision. We encourage respect of individual decisions on the matter.
- We will continue to provide the service online via Zoom for those in high risk categories who stay home but who would still like to have access to the service by computer, smartphone, or telephone. This will be a live feed of the in-person service.
- Offerings can be dropped in a box by the door (online or mail-in giving is still very much appreciated).
- Facial coverings are appropriate until settled in a pew.
- Hand sanitizers are available at the main entrance and near the bathrooms.
- Everyone is asked to maintain distancing and respect personal space.
- Signs are placed throughout the building as reminders of the guidelines.
- Attendees will sit every other pew apart with their families to maintain distance.
- No handshaking or hugs. There is no need for physical contact.
- The minister will not stand at the main door for greeting.
- There will be no other greeters at the doors.
- Youth and nursery ministries will continue for those parents who would like to send their children.
- The BLEND is tentatively scheduled to resume on Oct. 4 at 10:00 AM.
- There will be no meals, activities, events, or trips for the immediate future.
